

# Shoulderfellowships.com

Are you a postgraduate Orthopaedic trainee/resident looking for a Fellowship in Shoulder & Elbow surgery?

Are you an Orthopaedic surgeon looking for a surgeon specialising in a specific procedure or technique?

Are you going to a Conference in a particular city and would like to visit a Shoulder & Elbow surgeon or centre in or near that city?

**Shoulderfellowships.com is your resource.**

Are you a Shoulder & Elbow surgeon and would be happy to take visiting surgeons and clinicians?

You don't need to be an International Name. We all have something to offer, no matter where we work or how many publications we have.

**Shoulderfellowships.com is your resource.**

ShoulderFellowships.com was established by current and previous Shoulder & Elbow fellows to make life easier for those looking for Fellowships and short Clinical Visits around the world.

Please contribute any centres and surgeons that are prepared to share their own experience and skills with others.

If you are a centre, unit or surgeon specialising in shoulder & elbow surgery, please add yourself to the site by completing this form.

If you have worked with a surgeon or centre that should be on this site please ask them to add themselves or give you permission to add them.

You will get your own page and unique password so that you can edit your details later.

Please contribute and make this an easy resource for your colleagues worldwide.
